ABOUT ME

A front-end developer

It all started when I graduated high-school, I was left with so much empty time, so I got hooked With how websites work, what is coding etc.

But I never took it seriously till few months later when I was looking for fulfillment, so I Dedicated my time to be a professional front-end developer.

LANGUAGES

Arabic: my mother language.

English: able to speak in English and enter a conversation.

SKILLS

Advanced: HTML, CSS, SASS, JAVASCRIPT, REACT JS, NEXT JS, GIT & GITHUB.

Familiar: FIGMA, BOOTSTRAP.

PROJECTS

PORTFOLIO SITE, (HTML, SASS, REACT, SANITY)

This project is focused about showing my CSS skills like animations, interactive, responsive etc.
